

AIR SUPPLY
ANESTHESIA

Air Supply Anesthesia, PLLC is currently looking for Full or Part-Time associates. Our group currently provides anesthesia services for a moderately large (30 practices) and fast growing full service dental/ specialty group. Clinics and anesthesia workstations/ equipment are standardized for continuity. All equipment and supplies will be provided. Our services are primarily given to the pediatric population by pediatric dentists but does include individuals of all ages with special needs as well as some adult cases involving other specialties. Currently anesthesia services are provided out of Dallas/Fort Worth, Houston, Temple, Laredo and much of south Texas. Prosperous compensation with daily guarantee for full-time positions available. Shadowing is very welcome, please contact us to see how we can help with travel and stay costs. Please send a CV or Resume to the email below. Recent graduates encouraged to apply. Our goal is to help appropriate candidates find a long-term anesthesia home and help them flourish in this wonderful career.
