

DFW (Dallas-Fort Worth) Dental Anesthesia Specialists is seeking a Full or Part-Time Dentist Anesthesiologist associate. Dental Anesthesia Specialists is a well-established, fee for service ambulatory anesthesiology practice providing exceptional anesthesia services within the Dallas metroplex area for 11 years.

Our patient population include pediatrics, adults and individuals with special needs. Our team consists of administrative staff to support all aspects of scheduling and collection as well as anesthesia technicians as independent contractors. Additionally, we will provide ALL supplies, equipment and medications.

Candidates need to have successfully completed a US accredited dental anesthesiology residency program. Eligibility for licensure in the State of Texas is a must. The ideal candidate will be hired on as an associate, with flexibility to set their own schedule. Generous compensation is available with the potential gross earnings between \$360,000-\$500,000 per year depending on the desired workload.

Please forward your CV or any related questions to drseifikar@dfwdas.com
