

Our practice is seeking a dentist anesthesiologist to provide mobile anesthesia services to dental specialists either on a full time or part time basis.

Dental Sedation Services provides care to patients throughout New Jersey, Pennsylvania, and New York. We designed our adult and pediatric office-based anesthesia services to provide high-quality, hospital-grade anesthesia services in an office setting. Clinically, our practice sees pediatrics, special needs, adult general dentistry, and oral surgery cases.

**Responsibilities:**

- Providing anesthesia for pediatric patients 3+ years and special needs patients
- Providing anesthesia for adult patients
  - Mentorship/on-site training available

**Requirements:**

- Graduate of a US accredited dental anesthesiology residency program
- Licensed to practice in state where the candidate is providing care
- Board certification by the American Dental Board of Anesthesiology is a plus, but not required

**Compensation:**

- Generous compensation and benefits package, including a track for partnership for the right candidate

If you are interested in the position, please forward your CV to [dentsed@gmail.com](mailto:dentsed@gmail.com).
