

Metropolitan Dental Anesthesia (MDA) Services is a growing mobile anesthesia company serving the Metropolitan New York area. We provide mobile anesthesia services at various private dental offices and surgical centers, and our patient population primarily ranges in age from teenagers up through geriatrics.

We are seeking a professional and dedicated individual to join our dynamic and expanding team as a part-time to full-time Dentist Anesthesiologist.

The right candidate will be a highly motivated, energetic, and passionate team player who will aid in the growth of the business. Additionally, the candidate should have strong clinical abilities, communication, and interpersonal skills. New or recent graduates are welcomed.

We offer competitive compensation, flexibility, and the opportunity for growth and advancement within the company. You will be supplied with new equipment, medications and patient scheduling services. We will also provide assistance for state credentialing, obtaining a DEA number and insurance coverage.

Responsibilities and Requirements include:

- Coordination with dental and medical doctors/experts as indicated for the complete medical clearance and patient preoperative optimization
- Consultative and therapeutic services to patients with post-anesthetic needs or complications
- Credentials such as DDS or DMD degree, followed by completion of an approved residency training in Dental Anesthesiology
- Board Certification, Board Eligibility or being in the process of certification by the ADBA
- Maintenance of CE classes, board certifications and BLS, ACLS and PALS requirements in good standing
