

Twin Cities practice searching for an exceptional Dentist Anesthesiologist

The Twin Cities area of Minnesota is home to Midwest Dental Anesthesia Services, who are looking to bring in a Dentist Anesthesiologist to our fast-growing company. The Twin Cities contains both the Saint Paul and Minneapolis metropolitan areas, and offers a mix of major metropolitan life, small town living, and the outdoors. Welcome home, where you have the option to go for a hike through nature in the morning, lunch at a mom and pop restaurant overlooking the Mississippi river, catch a Minnesota Twins game in the afternoon, and have dinner at a trendy sushi bar settled into the Minneapolis skyline in the evening. The metro area is large enough to keep you busy, but small enough to be a short drive or a bike ride away from a plethora of state parks. Minnesota is a great place to raise children, and as a result of that, the majority of the patients we see are children.

Midwest Dental Anesthesia Services travels to local dental practices throughout the metropolitan area and sees the patients in the comfort of their home offices. All practices that Midwest Dental Anesthesia work with currently are within a 2-hour drive of the Twin Cities area, with most of the offices being inside the metro area, itself. The right candidate will be hired on as an associate, with the flexibility to set their own schedule. We will provide supplies and equipment and you can practice in the way that they are already comfortable practicing. The ideal candidate will be a part of a small team consisting of independent contractor RNs, dentist anesthesiologists and a strong administrative support staff; Midwest Dental Anesthesia Services provides nursing support while in-office, handles patient billing, and ensures a full schedule.

The right candidate has the potential for gross earnings between \$370,000 and \$743,000 per year, dependent upon the candidate's fee schedule and desired workload. We also understand that moving for work is difficult! To help with easing that transition, on a contract of 2 years or longer, we offer a \$10,000 signing bonus, and a \$5,000 moving allowance.

Please reach out to us about this great opportunity! You can reach us by phone at 763-228-0722, or email us at admin@mwdentalanesthesia.com.
