

## **North Atlantic Anesthesia Group**

Immediate opportunities for Dentist Anesthesiologist(s)

North Atlantic Anesthesia Group is a group practice with a strong mission to provide quality anesthesia care and patient management to Dental Practices in various specialties of Dentistry. As an Anesthesiologist, you will be responsible for delivering hospital quality anesthesia services in a safe, controlled environment.

### **This Opportunity Provides:**

- Flexible employment options including full time, part time and independent contractor
- Multiple schedule options to help maintain a healthy work/life balance
- competitive compensation package with retirement benefits and incentives.
- Malpractice credit
- We provide a well trained and functional administrative team that handles all scheduling and financial needs for the patient.
- We provide clearly defined and easy to follow guidelines and protocol policies to ensure The Dentist Anesthesiologist will succeed.

Packages and opportunities vary based on licensing by the applicant/anesthesiologist.

### **Applicant Requirements:**

- Completed an accredited Anesthesiology Residency in Dental Anesthesiology
- DDS/DMD with unrestricted anesthesia permit
- (2+) years of office based anesthesia a plus, however, we will consider all licensed candidates.
- Current, valid license to practice dentistry in state where providing care (License must be in good standing) or eligible for licensure, if applicable
- DDS/DMD with unrestricted anesthesia permit
- Other certifications as required -- PALS, BLS, DEA, etc.

We will train the right candidate.

Relocation assistance possible for the right candidate as well.

Equal Opportunity Employer Minorities/Women/Protected Veterans/Disabled
