

Salida Surgery Center

5712 Pirrone Road
Salida, CA 95368
Telephone (209) 543-9299

Our 2 surgery centers are looking for a Dentist Anesthesiologist.

We have 2 locations in Northern California: one in Salida close to Modesto and one in Milpitas in the bay area. Both are a short scenic drive to Yosemite National Park and San Francisco.

Minutiae:

We are a fast-paced pediatric practice, in an Ambulatory Surgery Center specializing in the underprivileged children.

Our facility provides CODR services for patients from 18 months to 15 years of age, with Special Needs up to 17 years of age.

We are seeking a full-time 4 to 5 days per week working both centers however, working part-time 2 to 3 days in one location is also an option. There are never any evenings, weekends, or taking call. This is a great opportunity for the experienced dentist anesthesiologist as well as new grads, who will work alongside experienced dental anesthesiologist. We offer excellent compensation. California License, BLS, ACLS, PALS, required.

Please forward your curriculum vitae to SalidaSurgeryCenter@Yahoo.com for consideration.
