

Texas Anesthesia Care, PLLC is a growing mobile anesthesia company serving the San Antonio and south Texas area. We are looking to extend the opportunity for a part-time leading to full-time position (3-5 days) providing anesthesia care for pediatric, adult and special needs patients as a mobile provider. For appropriate candidates, opportunity for further involvement in ownership/profit sharing is possible. Along with highly competitive pay, guaranteed minimum reimbursement is provided for full time associates.

By supplying all the support services, including anesthesia materials, we facilitate our clinicians in focusing on providing quality care to their patients. New graduates are encouraged to apply as well!

To apply for more information please submit a CV or Resume via email to:
